WHY IS HELL SO AWFUL?

One: it was created for satan and his demons. Secondly: because what people don't realize is that hell is the absence of God.

There's no air in hell... because God is the Breath of Life.

There is no peace in hell... because God is the Prince of Peace.

There is no comfort in hell... because God is the Comforter.

There is no love in hell... because God is love.

Hell is darkness... because God is the light.

But, the good news is: You don't have to go there! There is only one way to escape it, and that is through salvation in the name of Jesus Christ.
